

# The 47 (47th Street)

## 47th Street - Complete Street Plan

### 2022 Complete Streets Construction

In 2022, with the aid of a cost sharing grant and a financial partnership between the City of Westwood and the Unified Government, Complete Streets concepts will be permanently installed along the 47th Street corridor. The final Complete Streets plan for the corridor will be piloted by the 2020

striping project and details for the operation of the street for vehicles, cyclists, buses, and pedestrians will be finalized in 2021 prior to construction in 2022.

### 2020 Project

This collaboration has resulted in the recommendation of reducing the current four-lane road to a three-lane road and adding bike lanes and pedestrian crosswalks to the corridor. In 2020, these improvements will be striped and minor signal and signage improvements will be

made prior to full road reconstruction to make these improvements permanent in 2022.

### 47th Complete Streets Planning

For the past 30+ years, Westwood has been working with [Roeland Park](#), [Unified Government of Wyandotte County-Kansas City, Kansas](#), and other partners to plan improvements to 47th Street between Rainbow Blvd and Mission Road to make the corridor safer and more inviting, as well as to implement other strategies to support businesses.
