

Stormwater Best Management Practices (BMP) Program

Stormwater Best Management Practices Program

The City of Westwood encourages individual homeowners and businesses to incorporate Stormwater Best Management Practices (BMP) on their property to aid in the improvement of local and regional water quality.

At the same time, the city encourages planting native plants and trees to support the natural ecosystem and provide food for pollinators like bees and butterflies. The BMP Cost Share program will reimburse applicants up to 50% of eligible expenses, not to exceed a project reimbursement cap for the proper installation of the following best management practices:

Project Type	Project Reimbursement Cap
Rain Barrel	\$75 per barrel, up to two
Native tree planting	\$150 per tree, up to two
Rain garden/pollinator garden	\$1000
